From John Flagg, Esq., of Bennington, N. H.

"Three years since I was very much ridge, the Danville swindler, after he reduced with a dreadful cough, which resulted in Bronchitis, affecting me so got out of the state wrote back to his severely as to render it difficult to speak father-in-law: "Take good care of my in an audible voice. To this was added wife and child, take up the forged note I severe night sweats, and I was fearful of gave George Tisdale, and send me \$25." going into a decline. After recourse to various remedies, to no purpose, I made use of DR. WISTAR'S BALSAM OF WILD have had several severe attacks of cough, but the Balsam has always removed 50 cents and \$1 a bottle. Sold by all druggists."

Consumption. This dread disease, if allowed to have its own way, is sure to procure proper remedies in season, for-getting that "A stitch in time saves nine" and that likewise diseases can be broken up or averted if persons will only give the matter attention, as soon as they discover that they are thus threatened. The inventor of the Cough and Lung Syrup, Dr. A. J. Flagg of Claremont, N. H., claims for his remedy—and not without reason-if taken in the early stages of the disease, never failing cure, and even in the worst cases, relief will be attained, and life prolonged. This remedy is for Miss Mary E. Fletcher has added sale by all druggists, at 50 cents per bot-

## A vers' Sarsaparilla,

FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives, Sarasparifia, Dock, Stillingia and Mandrake with the lodides of Potassum and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It parifies the blood, purgus out the lurking humors in the system that undermine health and actic into troublescome disorders. Eruptions on the skin are the appearance on the surfaces of humors that undermine health and actic into troublescome disorders. Eruptions on the skin are the appearance on the surfaces of humors that bould be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. Ayer's Baresparilla expels these humors from the blood. When they are gone the disorders they produce disappear, such as ulceration of the liver, stomach, kidneys, sings, cruptions and corplive diseases of the wide. St. Anthony's Fire, rose or erapelas, pumples, postules, blotches, boils tumors, tetter and salt rheum, scald head, ringworm, ulcara and sores, rheumaniam, neuralgia, palu is the bines, side and head female weakness, sterility, louthorrhus arising from titernal inversation and ulcrine disease, dropsy, dropepais, emassistion and genural debility. With their denarture nterine disease, dropsy, drepepsia, emaciation and general debility. With their departure
